## Terms & Conditions For Shipped Cooled Semen

This Addendum is executed in conjunction with the 20\_\_\_\_ Breeding Contract for

The Stallion, \_\_\_\_\_ and Mare, \_\_\_\_\_

The following are Terms and Conditions for breeding Mare to the Stallion via shipped cooled semen:

1. The stallions booking fee and stallion fee, as well as any other outstanding balances to Westar Ranch must be paid in full prior to the first shipment of semen.
2. Requests are filled in the order in which they are received. Orders for counter-to-counter shipments must be received 48 hours prior to insemination. Collections are done only Monday-Friday. Mare Owner is responsible for shipping charges for cancellations received after 8:00 am PST the day semen ships, if already processed.
3. A deposit of \$300 is required on an Equitainer. Equitainers are the preferred method of shipping container. Equitainer must be returned to Westar Ranch at Mare Owner's expense within twenty-four (24) hours after insemination. If Equitainer is not received within five (5) working days from shipment, Mare Owner shall be charged a \$25/day rental fee. Costs/deposits must be paid in advance of the shipment. Mare Owner may supply their own Equitainers provided it is well marked and is in good condition. Disposable containers are available for cooled, shipped semen from Westar Ranch. Disposable containers must be returned to Ranch after use.
4. Mare Owner certifies that Farm is obligated to transport cooled semen only to the address of record which Mare Owner has provided prior to any shipment. All Shipments will be shipped to the address provided below, unless otherwise communicated in writing and confirmed by Westar Ranch staff. Mare Owner certifies that the address for shipment is a suitable facility for artificial insemination of Mare. Westar Ranch may refuse to make repeated shipments if, as determined by Westar ranch, it will not reasonably lead to a successful breeding. Moreover, Mare Owner certifies that only the Mare who is the subject of the breeding contract shall be inseminated by the shipped cooled semen. If semen is used on a Mare not stated in this contract, Mare Owner shall owe additional fees to Stallion Owner.
5. Mare Owner agrees to comply with all breed association requirements concerning the use and handling of Cooled Shipped Semen. Mare Owner shall promptly send copies of the Collection/Insemination Certificate to the breed associations and to Westar Ranch.
6. The parties agree that the obligations of performance by Stallion Owner/Westar Ranch shall be met when the cooled semen shipment is accepted at Mare Owner's designated shipment address. Acceptance shall be defined as the parcel delivery carrier actually delivering the shipment container to the address of record and receiving a signature from a representative of the address of record on the shipment documents maintained during the ordinary course of business by the carrier. The parties understand and agree that risk of loss transfers to the Mare Owner upon acceptance of the delivery.
