

## **“Westar Sporthorse Incentive”**

Anyone who breeds a mare to one of our four stallions for 2011' and beyond will be automatically included in our "Westar Sporthorse Incentive". This incentive will be available to foals born, starting in 2012' via our stallions, who have a fully paid stud fee to Westar Sporthorses, or foals bred by Westar Sporthorses. \$250 of every stud fee collected goes into the incentive, so the potential to go beyond \$34k/Yr is very good.
